

CSC Steel Sdn Bhd Double Recognition At ASEAN and National Level

CSC Steel (the company) had participated in National Energy Award (NEA) 2022 spearheaded by the Ministry of Energy and Natural Resources (KETSA) of Malaysia. The Company was proud to be chosen as the winner for Category I: Energy Management, sub-category under Energy Management in Large Industry. Subsequently, the Company was qualified to participate in the ASEAN Energy Awards (AEA) 2022, and emerged as the winner for the Energy Management in Large Industry category, which was organized by the ASEAN Centre for Energy (ACE).

The double recognitions received by the Company has reflected the Company's commitment towards the Environmental, Social, and Corporate Governance (ESG) initiatives. It's already formed part of the Company's culture to embed the ESG thoughts in its business practices. The Company will continue to do its best in sustainability efforts.

For more information about NEA and AEA, please visit the official website at <https://aseanenergy.org/> and <https://www.nationalenergyawards.com.my/> respectively.
