2. DETAILS OF THE PROPOSALS

PART A

2.1 PROPOSED SHAREHOLDERS' MANDATE

At CHB's 11th AGM held on 17 June 2015, shareholders of the Company had *inter-alia* granted the CHB Group with a mandate to enter into Recurrent Transactions. The mandate granted shall expire at the conclusion of the Company's forthcoming AGM scheduled on 2 June 2016 unless renewed by an ordinary resolution passed by the shareholders of CHB.

CHB is therefore seeking the approval of its shareholders to renew the existing shareholders' mandate pursuant to and in compliance with the conditions stated in Paragraph 10.09 of the MMLR and Practice Note 12, to enable the Group to continue entering into RRPT with the Related Parties.

In addition, a mandate will also be sought from the shareholders for additional Recurrent Transactions.

2.1.1 Details

Pursuant to Paragraph 10.09(2) of the MMLR and Practice Note 12, a listed company may seek a shareholders' mandate in respect of related party transactions involving recurrent transactions of a revenue or trading nature which are necessary for its day-to-day operations subject to the following:-

- iii) the issuance of a circular to shareholders for the shareholder mandate by the listed issuer;
- iv) in a meeting to obtain the shareholders' mandate, the interested directors, interested major shareholders and interested persons connected; and where it involves the interest of an interested person connected, such director or major shareholder, must not vote on the resolution to approve the transactions. An interested director or interested major shareholder must also ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- v) the listed issuer immediately announces to the Exchange when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by the Exchange in its announcement.

Where a shareholder mandate pursuant to Paragraph 10.09(2) of the MMLR has been procured, the provisions of Paragraph 10.08 of the MMLR shall not apply.

The Proposed Shareholders' Mandate, if approved at CHB's 12th AGM, shall take effect from the passing of the ordinary resolution on the Proposed Shareholders' Mandate at CHB's said 12th AGM scheduled on 2 June 2016 and shall continue to be in force until:-

The following procedures are to ensure that all Recurrent Transactions are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies:-

- (i) The relevant departments are made aware that all Recurrent Transactions are required to be undertaken on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of minority shareholders of CHB.

At least two (2) contemporaneous transactions with unrelated third parties for similar products/services and/or quantities are used as comparison.

In the event that quotation or comparative pricing from unrelated parties cannot be obtained, for instance, if there are no unrelated third party vendors/customers of similar products or services or if the product/service is a proprietary item, the transaction price will be determined by price negotiation with the related parties based on those offered by other unrelated parties for substantially similar type of transactions where available to ensure that the RRPT is not detrimental to the Group.

Approving authority and thresholds for RRPTs respecting the sales of the Company's products and purchases of raw materials, general materials and other sales and purchases will be based on the Group's pre-set policy which spells out the type and amount of sales and purchases that require the approval of the Vice President of Commercial Division.

Any amounts exceeding RM5,000,000, being the approval threshold set for the Vice President of Commercial Division in respect of RRPTs shall require ratification by the Board of Directors.

The Recurrent Transactions are meant to meet the business needs of the CHB Group. The Related Parties who are involved in the Recurrent Transactions have longstanding business relationships with the CHB Group and where applicable, have proven track records.

The various Recurrent Transactions entered or to be entered into by the CHB Group as stated in Section 2.1.4 above will benefit the Group in that goods and services transacted with the Related Parties are competitively priced and are on terms which are beneficial to the Group.

Recurrent Transactions entered or to be entered into by the CHB Group with the Related Parties are all in the ordinary course of business and of a revenue or trading nature which are likely to occur with some degree of frequency.

These transactions may be constrained by confidentiality and are time-sensitive in nature and delays in obtaining the requisite shareholders' approval may disadvantage the Group.

By obtaining approval to the Proposed Shareholders' Mandate on an annual basis, the necessity to convene separate general meetings from time-to-time to seek shareholders' approval as and when such Recurrent Transactions occur is eliminated. Besides improving efficiency, precious resources such as administrative time and costs would be freed up towards attaining other corporate and business objectives of the CHB Group.

2.1.9 Financial Effects

The Proposed Shareholders' Mandate while not having any effect on the issued and paid-up share capital and shareholdings of major shareholders of CHB, is expected to continue to contribute positively to the earnings and NA of the CHB Group.

2.1.10 Shareholdings of Directors and Major Shareholders

Save as disclosed in Section 2.1.4 above, none of the other Directors or Major Shareholders of the CHB Group or persons connected to them has any interest, direct or indirect, in the Proposed Shareholders' Mandate. Article 114 of the Company's Article of Association stated there shall be no share qualification for Directors, unless otherwise fixed by the Company in general meeting.

As at LPD, except for Mr. Chen, Chung-Te who has a direct interest of 20,000 CHB Shares but has resigned from CHB Group on 1 January 2016, none of the Interested Directors listed in Section 2.1.4 above has any direct or indirect shareholdings in the issued and paid-up share capital of the CHB Group while the direct and indirect shareholdings of the Interested Major Shareholders in the issued and paid-up share capital of the CHB Group are as follows:-

Name of Interested Major Shareholders of the CHB Group	Direct		Indirect	
	No. of Shares	% ⁽¹⁾	No. of Shares	% ⁽¹⁾
CSAP	171,000,000	46.37%	-	-
⁽²⁾ CSC	-	-	171,000,000	46.37%
⁽³⁾ MOEA	-	-	171,000,000	46.37%

Notes:

- (1) Excludes 11,264,100 CHB Shares bought-back by CHB and retained as treasury shares as at LPD.
- (2) Deemed interested by virtue of CSC's substantial shareholdings in CSAP.
- (3) Deemed interested by virtue of MOEA's substantial shareholdings in CSC.

Accordingly, the Interested Directors have abstained and will continue to abstain from deliberating and voting on the Recurrent Transactions at the relevant board meetings.

In addition, the Interested Directors shall also abstain from voting in respect of their direct and indirect shareholdings, if any, on the Proposed Shareholders' Mandate at CHB's 12th AGM and they undertake that persons connected to them will also abstain from voting on the Proposed Shareholders' Mandate at CHB's 12th AGM.

The Interested Major Shareholders shall abstain from voting in respect of their direct and indirect shareholdings on the Proposed Shareholders' Mandate at CHB's 12th AGM and they further undertake that persons connected to them will also abstain from voting on the Proposed Shareholders' Mandate at CHB's said 12th AGM.

PART B

2.2 PROPOSED SHARE BUY-BACK AUTHORITY

At the 11th AGM of the Company on 17 June 2015, the shareholders had *inter alia* approved the Share Buy-Back Authority. In compliance with the MMLR and the resolution passed by the shareholders at the last AGM, the authority granted to CHB to purchase up to ten per centum (10%) of its own shares on the Bursa Securities will expire at the conclusion of CHB's 12th AGM to be held on 2 June 2016 unless renewed by an ordinary resolution passed by the shareholders.

2.2.1 Details

CHB proposes to seek the approval of its shareholders at its coming AGM for the renewal of the Share Buy-Back Authority.

As at LPD, the issued and paid-up share capital of CHB is RM380,000,000 comprising 380,000,000 CHB Shares. The maximum number of shares that may be bought-back is up to ten per centum (10%) of the issued and paid-up share capital of CHB and included in this ten per centum (10%) quota is all shares which have been previously bought-back and retained as treasury shares.

Between 3 July 2006, date of the first share buy-back by CHB, and LPD, CHB had bought-back a total of 11,264,100 CHB Shares at a total cost of RM12,212,807.66, including broker fees, all of which have been retained as treasury shares.

As the Proposed Share Buy-Back Authority is for the purchase of a maximum of 10% of the issued and paid-up share capital of CHB which is equivalent to 38,000,000 CHB Shares, and the number of treasury shares is 11,264,100, the Company is therefore allowed to buy-back up to 26,735,900 of its own shares subject to Section 2.2.4 and Section 2.2.10 considerations.

The renewal of the authority from the shareholders for the purchase by CHB of its own shares will be effective immediately upon the passing of the ordinary resolution on the Proposed Share Buy-Back Authority at CHB's 12th AGM until:

- (i) the conclusion of the next AGM of the Company (following the general meeting at which such ordinary resolution was passed) at which time it shall lapse unless by a resolution passed at such AGM, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of the Company is required to be held pursuant to Section 143(1) of the Act [but shall not extend to such extension as may be allowed pursuant to Section 143(2) of the Act]; or
- (iii) revoked or varied by a resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

2.2.2 Funding/Cash Flow

The MMLR stipulates that the proposed purchase by a listed company of its own shares must be made wholly out of retained profits and/or share premium account of the listed company.

CHB therefore proposes to allocate an amount not exceeding the audited retained profits and share premium account of CHB for purposes of the Proposed Share Buy-Back Authority.

Based on the audited financial statements of the Company for the year ended 31 December 2015, the retained profits and the share premium account of CHB amounted to approximately RM13.36 million and RM21.12 million respectively.

Pursuant to the unaudited Financial Statement of the Company for the financial period ended 31 March 2016, the retained profits and the share premium account of CHB was RM13.55 million and RM21.13 million respectively.

The funding for the Proposed Share Buy-Back Authority is expected to be internally generated and is not expected to have any material effect on the cash flow of the Company.

The actual number of CHB shares to be purchased, the amount of funds involved for each purchase and the timing of the purchases would depend on market conditions, sentiments of the stock market, the amount of retained profits available and the share premium account of CHB.

2.2.3 Treatment of Purchased CHB Shares

Pursuant to Section 67A of the Act, the Purchased CHB Shares may be dealt with by the Board in the following manner:

- (i) cancelled; or
- (ii) retained as treasury shares; or
- (iii) retain part of the shares purchased as treasury shares and cancel the remainder; or
- (iv) distribute the treasury shares as dividend to shareholders; or
- (v) re-sell the treasury shares on Bursa Securities.

2.2.4 Regulatory Requirements and Conditions

The Proposed Share Buy-Back Authority shall be carried out in compliance with Section 67A of the Act and any prevailing laws, orders, requirements, guidelines, rules and regulations issued by the relevant authorities at the time of purchase including compliance with the twenty-five per centum (25%) public shareholding spread as required by the MMLR.

As at 31 March 2016, the public shareholding spread of CHB is approximately 43.54%. If the Proposed Share Buy-Back Authority is approved for implementation, the Company will ensure the minimum public shareholding spread of twenty-five per centum (25%) is complied with.

CHB may only purchase its own shares at a price that is not more than fifteen per centum (15%) above the weighted average market price of CHB Shares for the past five (5) market days immediately prior to the purchase. CHB shares purchased and retained as treasury shares can only be resold on Bursa Securities at:

- (i) a price which is not less than the weighted average market price of CHB Shares for the five (5) market days immediately prior to the resale; or
- (ii) a discounted price of not more than five per centum (5%) of the weighted average market price for the shares for the five (5) market days immediately prior to the resale provided that:
 - the resale takes place no earlier than thirty (30) days from the date of purchase; and
 - the resale price is not less than the cost of purchase of the shares being resold.

While the Purchased CHB Shares are held as treasury shares, the rights attached to them in relation to voting, dividend and participation in rights, allotments and/or other distributions are suspended and the Purchased CHB Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in CHB for any purposes including major shareholdings, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting of shareholders.

The Company's share buy-backs are affected through two (2) stockbrokers.

The Company did not cancel or sell any of its treasury shares during the past twelve (12) months period.

2.2.7 Rationale for the Proposed Share Buy-Back Authority

The Proposed Share Buy-Back Authority provides CHB with another option to utilise its surplus financial resources more efficiently.

It also serves as an instrument to stabilise the supply and demand of CHB Shares as well as the price of CHB Shares.

All things being equal, the Proposed Share Buy-Back Authority, regardless whether the Purchased CHB Shares are held as treasury shares or cancelled, will result in a lower number of CHB Shares being taken into account for the purpose of computing the EPS of CHB Shares.

Cost of the Purchased CHB Shares, whether held as treasury shares or cancelled, will be excluded from the CHB Group shareholders' funds in the computation of ROE.

The purchase by CHB of its own shares will improve the EPS of CHB Shares as well as the ROE of CHB which would in turn, be expected to have a positive impact on the share price of CHB Shares.

Purchased CHB Shares which are retained as treasury shares may potentially be resold on Bursa Securities at a higher price thereby realising a potential gain in reserves without affecting the total issued and paid-up share capital of CHB.

The treasury shares may also be distributed to shareholders as dividend and if undertaken, would serve as a reward to the shareholders of CHB.

Other advantages of the Proposed Share Buy-Back Authority to CHB and its shareholders are that it:

- (i) allows the Company to take preventive measures against speculation, particularly when its shares are undervalued, and a stabilised market price of CHB Shares will enhance investors' confidence; and
- (ii) allows the Company flexibility in attaining its desired capital structure in terms of debt, equity composition and size of equity.

2.2.8 Risk Assessment of the Proposed Share Buy-Back Authority

The Proposed Share Buy-Back Authority, if implemented, would reduce the financial resources of the Group. This may result in the Group having to forego:

- future investments or business opportunities; and/or
- any interest income that may be derived from the deposit of such funds in interest bearing instruments.

If implemented, it may also result in a reduction of the financial resources available for distribution in the form of cash dividend to shareholders of CHB.

On the other hand, the financial resources of the Group may increase if the Purchased CHB Shares, presently held as treasury shares, are resold at prices higher than the purchase price.

In this connection, the Board will be mindful of the interests of the Group, the shareholders and stakeholders of CHB when implementing the Proposed Share Buy-Back Authority and when cancelling and/or selling the said treasury shares, if any, on the Bursa Securities.

2.2.9 Effects of the Proposed Share Buy-Back Authority

Effects of the Proposed Share Buy-Back Authority on the share capital, consolidated NA, working capital, earnings, dividend and shareholdings of Directors and major shareholders in CHB are as follows:

2.2.9.1 Share Capital

Effect of the Proposed Share Buy-Back Authority on the share capital of CHB depends on the treatment of the Purchased CHB Shares.

If CHB purchases up to the maximum of ten per centum (10%) allowed which are then cancelled, the existing issued share capital of CHB of RM380,000,000 comprising 380,000,000 CHB Shares will be reduced to RM342,000,000 comprising 342,000,000 CHB Shares.

If all Purchased CHB Shares are retained as treasury shares, there is no impact on the issued and paid-up share capital of CHB.

2.2.9.2 NA

Effect of the Proposed Share Buy-Back Authority on the consolidated NA per share of the CHB Group would depend on the purchase prices, number of CHB Shares purchased, treatment of the purchased CHB Shares and the effective funding cost or loss of interest income to CHB.

The Proposed Share Buy-Back Authority will reduce the NA per share of the CHB Group at the time of purchase if the purchase price exceeds the NA per share and conversely, will increase the NA per share at the time of purchase if the purchase price is less than the NA per share.

If the treasury shares are resold at a gain, the NA per share of the CHB Group would increase and conversely. The quantum of the increase in NA will depend on the selling prices of the Purchased CHB Shares and the number of Purchased CHB Shares resold.

2.2.9.3 Working Capital

The Proposed Share Buy-Back Authority will reduce the working capital of the CHB Group, the quantum of which will depend on the purchase prices, the number of CHB Shares purchased and the effective funding cost or loss of interest income to CHB.

2.2.9.4 Earnings

The effect of the Proposed Share Buy-Back Authority on the EPS of the CHB Group would depend on the effective funding cost to the CHB Group to finance the purchase of CHB Shares or any loss in interest income to CHB.

Assuming that the CHB Shares purchased are retained as treasury shares and resold, the effects on the earnings of the Group will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising from the exercise.

2.2.9.5 Dividend

The Proposed Share Buy-Back Authority may have an impact on the Company's dividend policy as it would reduce the cash available for dividend payment. On the other hand, the treasury shares may be distributed as dividend to the shareholders if the Company so decides. Any dividend to be declared by CHB in the future would depend on, *inter-alia*, the profitability, retained earnings, cashflow position and capital requirements of the CHB Group.

Notwithstanding, the Group is committed to adhere to its dividend policy of distributing not less than fifty per centum (50%) of its annual profit after tax.

2.2.9.6 Major Shareholders' and Directors' Shareholdings

Based on the Register of Substantial Shareholders and Directors' Shareholdings as at LPD, the effects of the Proposed Share Buy-Back Authority on the shareholdings of Major Shareholders and Directors based on the following assumptions are as follows:-

- (i) the purchase of the maximum ten per centum (10%) of the issued and paid-up share capital of CHB; and
- (ii) the CHB shares purchased are from shareholders other than the Major Shareholders and Directors.

2.2.9.7 Directors' and Major Shareholders' Interests

Save for the proportionate increase in the percentage of shareholdings and/or voting rights of the shareholders of CHB as a consequence of the Proposed Share Buy-Back Authority, none of the Directors and/or Major Shareholders of CHB and/or persons connected to the Directors and/or Major Shareholders of CHB have any interest, direct or indirect, in the Proposed Share Buy-Back Authority.

2.2.10 Implications of the Proposed Share Buy-Back Authority in Relation to the Code

Pursuant to Practice Note 9 Paragraph 10.1 of the Code, in the event the Proposed Share Buy-Back Authority results in any major shareholder and/or persons acting in concert with him:

- (a) holding more than thirty-three per centum (33%) of the voting shares or voting rights in CHB, the affected major shareholder and/or persons acting in concert with him will be obliged to make a mandatory offer for the remaining CHB Shares not held by him;
- (b) who already holds more than thirty-three per centum (33%) but not more than fifty per centum (50%) of the voting shares or voting rights in CHB, increases his holding of the voting shares or voting rights of the Company by more than two per centum (2%) in any six (6) months period, the affected major shareholder and/or persons acting in concert with him will be obliged to make a mandatory offer for the remaining CHB Shares not held by him;
- (c) who already holds more than thirty-three per centum (33%) but not more than fifty per centum (50%) of the voting shares or voting rights of CHB acquires more than two per centum (2%) of the voting shares or voting rights in the Company when he knows or reasonably ought to know that the Company would carry out a buy back scheme, the affected major shareholder and/or persons acting in concert with him will be obliged to make a mandatory offer for the remaining CHB Shares not held by him.

However, the affected major shareholder and/or persons acting in concert with him may apply for a waiver from the Securities Commission under Practice Note 9 Paragraph 24.1 of the Code.

3. APPROVALS REQUIRED
